TO OUR VALUED CUSTOMERS
This policy statement applies to “transaction” accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts. Feel free to ask us whether any of your other accounts might also be covered under this policy.

Our policy is to delay the availability of funds you deposit in your account. During this delay you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written. Please remember that even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

As always, we appreciate the opportunity to serve you. Should have any questions or need other assistance, please contact Fidelity Customer Care Center at 1-800-388-4380.

DEPOSIT AVAILABILITY
The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturday’s, Sunday’s and federal holidays.

If you make a deposit Monday through Friday during regular business hours, we will consider that day to be the day of your deposit. If you make a deposit on a day that the Bank is not open, we will consider that deposit to be made on the following business day that we are open.

If a deposit is made using Mobile Deposit on or before 5:00 P.M. on a business day that we are open, we will consider that day to be the day of deposit. However, if a deposit is made using Mobile Deposit after 5:00 P.M. or on a day we are not open, we will consider the deposit made on the next business day we are open.

If you make a deposit at a Fidelity owned or operated ATM on before 6:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at a Fidelity owned or operated ATM after 6:00 P.M., or on a day we are not open, we will consider the deposit made on the next business day we are open.

If you deposit a check with a routing number 3011 in the amount of $700 on Monday, $700 of the deposit is available on Tuesday. The remaining $500 is available on Wednesday.

If we are going to make all of the funds from your deposit available according to the preceding schedule, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you need the funds from a deposit right away, you should ask us when the funds will be available. Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than $5,000 on any one day.
- We redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communication or computer equipment.
- Your transaction account was opened within the last 30 days.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fourth business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES
The first $200 of a deposit made at an Automated Teller-Machines (ATM’s) we own or operate will be available on the same business day as the day of the deposit. The remaining funds from the deposit (cash or check) will be available on the next business day after the day of deposit.

Funds from any deposits (cash or checks) made at Automated Teller Machines (ATMs) we do not own or operate will be made available by the second business day after the day of deposit.

Please note this ATM availability schedule may be affected by daily limits imposed on the ATM withdrawals as described in your Electronic Funds Transfer Act Disclosure.

UNCOLLECTED FUNDS
Business accounts will be charged a fee for each item presented for payment against funds that are not available in accordance with this funds availability policy.
