

Mobile Deposit from Fidelity Bank puts the bank branch in your hand. With Mobile Deposit, you can deposit single checks into your checking account without a visit to the bank. This service is a feature within Mobile Money for iPhone and Android phones and only available for checking accounts.

To enroll, simply read the documents below, click the “Accept” button and you will be routed to a secure email form: Just enter you name, email address, account number and Social Security Number. In order to qualify for this product, you must meet the following criteria:

- Have an established account with the bank for a period of 90 days or more.
- The established account must be in good standing and free of regular overdrafts.
- Maintain regular deposits in your account to cover your obligations.
- Current loans owed to the bank are not in default in excess of 15 days.
- The account is not subject to dormancy, garnishment or levy.
- We must have a valid address on file.
- The account must be free of any suspicious or illegal activity.

You must currently be enrolled in our Mobile Money Application. This service does not work with the SMS Text Banking or Web Based Mobile Banking products. If you are not currently enrolled, you can do so by searching and downloading “TouchBanking” from the App store and entering our app code of “fidelitytogo”.
