

Samsung Pay is Here

Adding your Fidelity Visa® Check Card to Samsung Pay is as easy as snapping a photo.

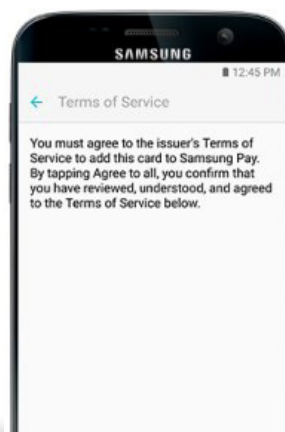

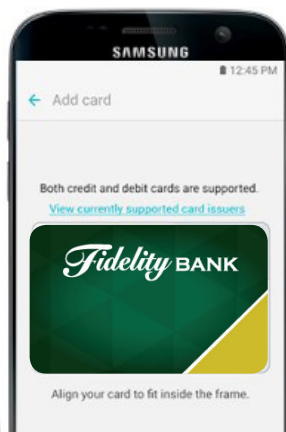

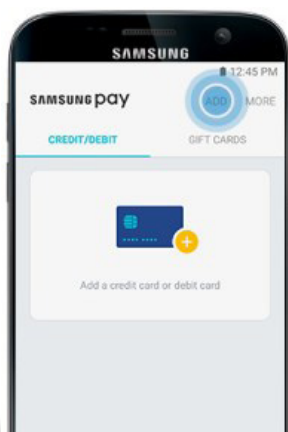

With your Fidelity Bank Visa® Check Card and Samsung Pay you can conveniently make purchases at hundreds of thousands of stores using your Samsung Galaxy device. Keep your Check Card secure in your wallet and pay with a single touch.

Simple to set up. Simple to pay.

1. Make sure your compatible Samsung device is updated with Samsung Pay
2. Take a picture of your Fidelity Bank Visa® check card with your device's camera
3. Secure it with your fingerprint and backup PIN and you'll be ready to go

Convenience and Coverage

Samsung Pay makes paying with your phone fast, easy and convenient. Plus, it works almost anywhere you can swipe or tap a card. See a full list of Samsung Pay merchants at samsung.com/pay

Our Best Security, Built-In

Samsung Pay transactions are authorized with your fingerprint and use a digital identifier instead of your card number. And even if your phone is compromised, Samsung Knox technology encrypts your card info within a separate, secure data vault.
