Fidelity BANK

1. Please provide a brief description of your organization and its purpose in supporting the sustainability of our community.

2. Please provide a description of the program or project to be supported by your request for funds, including how it serves our community. Include how the need for your project was determined. (Please note that grants may not be used to support operational expenses.)

3. Please specifically describe how the funds will be used.

4. Are you partnering with other agencies or are there other programs who are addressing this same need?

5. Have you received or are you intending to receive other financial support for your project? If so, what percentage of your project cost will be covered by that support?

6. Once funds are received and used for your project, how will you evaluate the change derived from the program?

7. Please provide any additional information that will assist our foundation as we evaluate your request.
